

Pure Air FRIDGE

[Watch Informative Video](#)

Features & Specifications

PureAir FRIDGE purifies and sanitizes the air and surfaces inside your refrigerator, allowing a healthier, fresher environment for your fresh fruits and vegetables. Using ionization and ozone technology, pureAir FRIDGE destroys bacteria such as E-coli and Staphylococcus and neutralizes pesticides. Produce stays fresher longer because pureAir FRIDGE reduces ethylene gas from decaying food. Foul food odors are eliminated and your fridge will smell fresh every time you open the door.

Powered by a lithium ion battery and equipped with photosensor technology, pureAir FRIDGE intelligently displays a battery life notification LED light and activates a pleasant audible alarm only when the fridge door is opened. pureAir FRIDGE is simple to maintain and clean, and charges in less than 4 hours to purify your fridge for 18-24 days on one charge. Store pureAir FRIDGE anywhere in your fridge thanks to its compact design and enjoy a fresher fridge and fresher food.

THE TECHNOLOGIES

Activated Oxygen & Ionization

Activated oxygen and negative charges are propelled into the fridge to destroy odors and other contaminants.

Rechargeable Lithium-Ion Battery

The lithium-ion battery provides 18-24 days of continuous operation and is easily recharged using a Micro USB charger.

Battery Notification

When your battery is expired, and fridge is opened, an audible alarm and LED indicator will activate.

Energy Efficient Operation

5 minutes of sterilization and deodorization every hour provides powerful results with less energy. **2.3 CFM** (Cubic Feet per Minute)

Benefits of pureAir FRIDGE

Destroys Foul Fridge Odors

Extends the Life of Your Food

Kills E-Coli, Staph, & other Bacteria

Neutralizes Pesticides

Easy to Use; Easy to Clean

Rechargeable Long-Lasting Battery

Product Specifications

Performance

- Effective Area of 17.7 ft.³
- Activated Oxygen Output: 3mg/h
- Warranty: 1 Year Limited Warranty

Unit

- Dimensions (HxWxD): 3.44" (87.4mm) x 2.875" (73mm) x 2.875" (73mm)
- Weight: 4.41 oz (250g)
- USB Micro Cable Included

Power

- Power: DC 5V, Lithium Battery
- 2800mA Hours
- Battery Life: 18-24 Days

Shipping Specifications

Product Name:	pureAir FRIDGE
UPC:	817556020198
Master Carton GTIN:	00817556020198
